

# MENU DEL GIORNO €39

**Dear Friends,  
Amici Cari,**

For your swift lunch, we've curated this three courses menu - antipasti, main dish and dessert.

Please select one of two options we recommend for antipasto and a main dish, and enjoy the Chef's selection for the dessert.

The menu includes a slice of our freshly baked focaccia and our classic complement - Carta di Musica crisps flavoured with goat cheese mouse, pistachios and Dukkah spice.

Please note that we will not be able to change the dishes of your choice.

You're always welcome to add any of our tasty antipasti, pizza, or pasta to your order; we can advise you on the preparation time for each dish.

**Buon appetito!**
